“We acknowledge receipt of your submission in partial compliance with the conditions set forth in the Notice of Selection and Award (NOA) dated 12 February 2020 for the Sangley Point International Airport (SPIA) Project (i.e., newly and fully authenticated copy of the submitted JV Proposal). Similar to previous submissions, we will confirm the acceptability of the said documents after the consortium’s full compliance with the prescribed requirements and our complete review.

Considering the continuing adverse impact of the COVID-19 pandemic and in the exigency of the service, we grant your request for extension of ninety (90) days immediately after commercial air travel resumes between the Philippines and China to comply with all the conditions of the NOA. Please note that this additional extension is granted subject to the firm commitment of the Consortium to fully comply with the requirements on or before the new deadline.”
